Ijebu-Ode

Dear Sir,

### SEASON'S GREETING TO YOUR LORDSHIP

On behalf of the entire Muslim Community of Ijebuland I wish to rejoice with your Lordship on the celebration of Light (John 8:12); Love (John 3:16) and peace (Ephesians 2:4). We pray that these virtues will reign in our nation.

Christmas is a season to remember those special people who have brought joy and happiness to others through the kindness they show to them. You are exemplary in these. For the blessings and benefits of our time and lives, we offer to God a sacrifice of thanksgiving. We give thanks to God at every moment for this is the will of God in Christ Jesus (Thessalonians 5:18).

I pray that the gracious and merciful God bless our homes most abundantly, fill our days ahead with His enduring blessing, grant unto us eternal joy and happiness in our homes where peace and love abide with doors wide open all the time expressing God's goodness. May our heart's desires be beautifully fulfilled now and always.

Please have a Merry Christmas and Happy New Year in advance.

Yours sincerely,

Sheik Alhaji Mifutaudeen Gbadegesin Ayanbadejo  
Grand Chief Imam of Ijebuland.
